

Jessica Miles

Sales Recruiter

Sales, Marketing, and Senior Management Recruitment In:

MANUFACTURING INDUSTRIAL HEALTHCARE MEDICAL PRODUCTS

Jessica Miles, Sales Recruiter at Goldbeck Recruiting specializes in the recruitment of Sales, Marketing, and Senior Management positions. Her industries of focus are in Manufacturing, Industrial Goods, Healthcare, and Medical Products.

Jessica's background in research enables her to understand her client's needs. She has an eye for spotting high quality talent. She recruits all over the globe. A recent placement she is quite proud of is finding a Belgian pulp trader to move to Hong Kong.

Jessica's recruitment career began with Mitacs, a research network based out of the University of BC. She has been in the recruitment industry for over four years and has recently made her mark with Goldbeck Recruiting Inc. In just a short timeframe, Jessica has already made significant placements for high profile positions in hard to fill industries such as construction, manufacturing, heavy equipment, HVAC, and mining.

"We have been very pleased with the service provided by Goldbeck Recruiters, specifically Jessica Miles, who assisted us recently with successfully filling two challenging vacancies. In a short period of time, Jessica familiarized herself with the needs of our complex business and was diligent in pursuing candidates who met our selection criteria and corporate values. I would not hesitate to recommend Jessica."
